

## **NEW OPPORTUNITY !      HOW CAN YOU HELP?**

You may remember in the recent newsletter we listed all the ways you could become involved in YOUR partnership; this is another way you may wish to become involved.

We are setting up a group of partnership parishioners who are willing to meet to explore new ideas of how we can pray together.

Ideally we are looking for people of all ages with bright ideas, creativity, organisation skills, enthusiasm or just a willingness to take part.

The Diocesan Spirituality Department provide lots of easy to use resources.... we just need people to help get this off the ground.

***Meeting Monday 10th February 2020 6:30pm***

***Number 10, St Augustine's Court, Off Larchfield Street, DL3 7RG***
