

**Closure of Church**  
**12<sup>th</sup> January 2021**

Church will be closed as from today 12<sup>th</sup> January 2021.

Fr Gordon will say Mass during the week privately and the Sunday Mass at 9.15am will continue to be live-streamed with all the necessary guidelines in place.

A steward will be present outside Church for this week as Masses were already scheduled and to make people aware as to what is happening.

At the moment we don't know when we will be able to return to Church safely but we will keep everyone updated with any changes.
