### Musicians Required

Are there any musicians out there? As we start to introduce singing during Mass, we are looking for musicians to accompany us. If you can help with this, please see Fr Greg.

### Thank you

Keld would like to say a big thank you to everyone for their support and prayers for the Great North Run, this year. Between us we managed to raise £422 to help ADDER (Action for Dystonia). Thanks again. Well done Keld!

My Jesus, I believe that You are present in the Most Holy Sacrament.

I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

## MarriageCare Relationship Counsellor

One of the many effects of Covid-19 and the consequent restrictions has been the impact on family relationships, particularly strains placed on couples, leading in some cases, to domestic and child abuse and neglect. Support for families is vital by individuals trained in relationship counselling. MarriageCare, a charity in collaboration with our Diocese, is offering a Relationship Counselling Course for our parishioners who feel a vocation to support. Full training will be provided and a Certificate in Relationship Counselling (CRC) will be awarded. Further details and application are available on the contacts shown on the flyer.

MarriageCare will be hosting an online CRC Open Event via Zoom on Monday 25 October 2021 1-2pm for anyone who would like to know more about the role, training and MarriageCare. Interested parishioners can contact [Rachaelo@marriagecare.org.uk](mailto:Rachaelo@marriagecare.org.uk).

**Diocesan Covid Controls** We are now able to resume the full Mass with both Readings, the Gloria, the Creed, Bidding Prayers and music. Our Diocese have reviewed the existing controls and their position on the most pertinent points will be:

**Hand sanitiser** - use of hand sanitiser on entering and leaving church and before liturgies should continue.

**Face coverings** - all those attending church are recommended to wear a face covering unless they are exempt from doing so.

**Social Distancing and Capacity of Churches** - reduced church capacities based on a minimum of 1M spacing between households should continue.

**Cleaning a) Cleaning high frequency touch points in buildings after each act of worship b)** Thoroughly cleaning the church once a week

**Congregational Singing** The use of cantor groups and other choirs is now permitted. It is recommended that singing should be phased in gently and that face coverings should be worn by members of the congregation whilst singing together, until infection levels reduce."

**Hymn books and Mass cards** – can be reintroduced

**Test, Track and Trace - NHS Test, Track and Trace** system is no longer in operation and Mass booking systems will only continue where numbers wishing to attend are likely to exceed the COVID secure capacity of the church.

**One-way systems and movement of people** - It is no longer necessary to have one-way systems or other restrictions on movement in churches.

**Sign of Peace will remain suspended.**
