WE ARE STILL ASKED TO FOLLOW SOME RULES

COVID Symptoms; people showing any should stay at home.
VACCINATIONS; are the best way to control the spread of Covid. We can show that we care for each other by getting vaccinated and attending for the booster dose when available.

VENTILATION; it is still important to ventilate our buildings. This has the effect of diluting and dispersing viral particles.

HAND SANITISER; should still be available for People as they enter and leave the building.

FACE COVERINGS; those who wish to wear a face covering may do so during the celebration of Mass .

The same would also apply to those attending our halls and meeting places.

SOCIAL DISTANCING; there is no requirement for Social distancing but we should continue to be sensitive to the wishes of other people.

It is important that we continue to be mindful of our Local prevailing conditions in terms of viral infection and transmission and local adaptations should be put in place.
